

First African Methodist Episcopal Church
Reverend Dr. Carey G. Anderson - Senior Pastor

September 2, 2020

Dear FAME Members and Friends:

Let me begin by saying "Thank You!" We are drawing near to the end of Summer 2020, and have successfully completed our 129th Session of the Pacific Northwest Annual Conference and have continued doing ministry by feeding over 3,000 families since May. We are working with various community-based organizations and groups distributing face masks and shields for youth and adults and have made upgrades to our Seattle Campus in upgrading our wi-fi system. Our Scholarship Ministry held a successful outdoor recognition to all of our college recipients. Vacation Bible Camp was held in an outstanding virtual platform and was led by our Youth Exchange Ministry. They also held a virtual worship service at the Youth Detention Center in August.

We have much more exciting news to share about our ministry for the remainder of the calendar year, but I must pause to lift up church condolences to the families and friends who have lost loved ones during this time of dramatic change. We will be recognizing all of our loved ones who have passed in a special service of remembrance in 2021.

Lastly, I must personally thank each of you for your generous financial support. As members or as a FAME Friend, your gifts speak to where your heart is because people support the things that they love, hold dear and believe in. We have met all of our ministry financial needs because of your faithfulness to God and God's House without holding any fundraisers since February.
